

Charles Miller

doyletravis@example.org (722)291-8457x496 Melaniefort

Professional Profile

14 years in Product/Design, most of it spent on systems other teams depend on. Comfortable leading technical decisions, pushing back on scope when it matters, and carrying a pager for what I build. Primary tools: Looker and Figma.

Employment History

April 2020 to Current	Senior UX Designer Summit Digital » Ran discovery interviews with 3 customers, reshaping the following year's roadmap. » Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly. » Partnered with data to define activation and retention definitions the whole company now uses.
March 2015 to March 2020	UX Researcher Oracle » Defined north-star metrics and instrumented them across 50 delivery squads. » Introduced accessibility standards to the design process, taking 3 flows to WCAG AA.
December 2011 to February 2015	Product Manager Meridian Software » Prototyped 15 concepts in Sketch and killed two early on evidence rather than opinion.
