PROFILE

Platform Engineer with 1 year of commercial experience across DevOps/Infrastructure. I learn fast, ask a lot of questions, and care about leaving code clearer than I found it. Core tools: CI/CD, Docker.

EXPERIENCE

Palantir — Platform Engineer

2024–2026

- Reduced incident MTTR from 5 hours to under 60 minutes with better alert routing and runbooks.
- Wrote the platform team's paved-road documentation, cutting onboarding from weeks to days.
