

TYLER JENSEN

vfederick@example.com (658)861-7284x7034 East Ivan github.com/tylerdev

Early-career UX Researcher with 1 year in Product/Design. Strongest in Looker; currently deepening my Power BI experience through production work rather than tutorials.

ACADEMIC HISTORY

Master, Business Administration

Pinehurst University | 2024–2025

Bachelor, Business Administration

Milbrook Institute of Technology | 2021–2024

EMPLOYMENT HISTORY

UX Researcher

Keystone Apps | 2025–2026 | Port Jessicafort

- Shipped a design system in TypeScript adopted across 8 product surfaces.
- Introduced accessibility standards to the design process, taking 30 flows to WCAG AA.

SKILLS & TOOLS

Looker — Working knowledge

Power BI — Working knowledge

TypeScript — Working knowledge

Nginx — Working knowledge

Tableau — Working knowledge

SELECTED PROJECTS

Home energy dashboard

Collects meter readings and renders them with Looker. Mostly an excuse to learn time-series storage properly.

Recipe search engine

Full-text search over a scraped recipe corpus using Power BI; learned more about ranking than about cooking.

Charity chatbot

Built a Power BI assistant for a local charity to answer volunteer questions; retired it once they moved to a supported platform.

Achievements

Dean's List, 2019
