EMPLOYMENT HISTORY

Foxglove Media — Machine Learning Engineer

2025-02 — Present | Clarkfurt

- Wrote the team's model documentation and review standard, now required before any production launch.
- Mentored 20 analysts moving into modelling work, with weekly paper reading and code review.

EDUCATION

Bachelor, Communications

Milbrook Institute of Technology | 2020 — 2024

2:1 Honours

CORE COMPETENCIES

Python • Databricks • MLflow • Power BI • JavaScript

OPEN SOURCE

Personal finance tracker

Self-hosted spend tracker built with MLflow. Deliberately kept the data local rather than using a hosted service.

Commute optimiser

Pulls transit APIs and suggests departure times, built on MLflow.

Technical blog

Writing up Databricks experiments and failures, roughly 5k readers a month.

Languages

English – C2

Outside of Work

Five-a-side football, Sailing, Volunteering at a local coding club, Home automation
