

Randy Espinoza

Professional Profile

Senior Software Development professional, 8 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: Django, C#, TypeScript.

Experience

2018-04 — 2026-08	Junior Mobile Engineer Stonebridge IT - Built a reusable TypeScript component library adopted by 3 product teams, removing months of duplicated work. - Led the migration of a legacy monolith to C#, taking deployments from fortnightly to 4 per day. - Partnered with product to scope and deliver 15 major releases, each behind staged rollouts. - Rewrote the search path in Django, dropping median response from 320ms to 80ms for 15M monthly users. - Hardened authentication flows in Django after a security review, closing 4 findings before audit.
-------------------	---

Qualifications

High School

West Barbarafurt High School | 2013 — 2016

Tech Stack

Languages: C#, TypeScript, Python

Frameworks: Django, Vue.js

Cloud & DevOps: Docker

Data: MongoDB

Testing & Tooling: Git, gRPC

Training & Certifications

Certified Kubernetes Administrator (CKA) — Cloud Native Computing Foundation, 2025

TensorFlow Developer Certificate — Google, 2022
