About Me

Data Analysis graduate with 1 year of hands-on experience, most recently at Ironwood Labs. Comfortable with NumPy and Snowflake, and keen to work somewhere with strong code review culture.

Career History

Junior Business Intelligence Analyst, Ironwood Labs

2025-04 — 2026-04

- Trained 12 non-technical colleagues to self-serve, cutting ad-hoc request volume by 60%.
- Migrated reporting from spreadsheets to Snowflake, giving one trusted source of numbers.

Education & Qualifications

Bachelor, Information Systems

Cedar Hollow University | 2021 — 2025

Core Competencies

NumPy, Snowflake, Sketch, Node.js

Projects

Conference talk

Spoke on Node.js in production at a regional meetup, ~30 attendees.

Commute optimiser

Pulls transit APIs and suggests departure times, built on Sketch.

Home energy dashboard

Collects meter readings and renders them with Node.js. Mostly an excuse to learn time-series storage properly.

Languages

English – C2
