Profile

Senior Product/Design professional, 10 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: Figma, Looker, TypeScript.

Career Highlights

- » Prioritised a backlog for 15 engineers, delivering 12 releases per quarter.
- » Shipped a design system in Figma adopted across 10 product surfaces.
- » Wrote the PRDs and acceptance criteria for a platform migration affecting 15k users.

Relevant Experience

Senior Product Designer

BrightPath Solutions | August 2022 to Current

- » Ran discovery interviews with 30 customers, reshaping the following year's roadmap.
- » Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.
- » Negotiated scope with engineering and legal to ship a compliance deadline on time.
- » Partnered with data to define activation and retention definitions the whole company now uses.
- » Introduced accessibility standards to the design process, taking 6 flows to WCAG AA.

UX Designer, Lumen Works

April 2019 to April 2022

- » Prototyped 20 concepts in Figma and killed two early on evidence rather than opinion.
- » Reduced support contacts by 22% by reworking the checkout and error states.
- » Redesigned onboarding in Sketch, lifting activation from 6% to 88%.
- » Facilitated usability testing that surfaced 4 critical friction points before launch.

Product Manager

Keystone Apps | July 2016 to November 2018

- » Defined north-star metrics and instrumented them across 6 delivery squads.
- » Built the experimentation framework the team uses to size bets before committing.
- » Took over an unowned service, documented it and brought it back under SLO.

BrightPath Solutions — Junior UX Researcher

June 2015 to February 2016

- » Represented the team in cross-functional planning with product, design and support.
- » Interviewed and onboarded 3 new hires, shaping the hiring bar for the team.
- » Presented the team's work at an internal engineering forum of 120+ colleagues.
