

JASON PERRY

nicholas38@example.com | (657)579-0827x231 | East Eric | linkedin.com/in/jason-perry | github.com/jasondev

9 years in Data Analysis, most of it spent on systems other teams depend on. Comfortable leading technical decisions, pushing back on scope when it matters, and carrying a pager for what I build. Primary tools: Power BI and SQL.

WORK EXPERIENCE

Senior Insights Analyst

Meridian Software | 2023–Present

- Presented findings to the executive team monthly, translating analysis into concrete decisions.
- Ran cohort analysis that reframed how the business measures activation.
- Built data quality tests in MySQL that catch upstream breakages before stakeholders see them.

Data Analyst

Lumen Works | 2020–2023

- Built Looker dashboards used daily by 8 stakeholders across three departments.
- Defined and documented 2 core business metrics in the semantic layer, ending duplicate definitions.

Analytics Engineer

Cobalt Systems | 2016–2019

- Rebuilt the finance forecast with the FP&A; team, improving accuracy by 70%.

ACADEMIC HISTORY

Master, Computer Science

Cedar Hollow University | 2014–2016

Bachelor, Economics

Ashford Technical University | 2009–2013
