Career Objective

Entry-level Software Development candidate.
Strongest in pytest; comfortable enough with Vue.js to be useful from week one, and honest about what I still need to learn.

Education and Training

Bachelor, Information Systems

KTH Royal Institute of Technology | 2022 – 2025

Relevant coursework: Database Design, Enterprise Architecture, Business Process Modelling, IT Governance

Technical Skills

- » pytest
- » Vue.js

- » Swift

Employment History

Seeking a first professional role; see projects below.

Side Projects

Personal finance tracker

Self-hosted spend tracker built with pytest. Deliberately kept the data local rather than using a hosted service.

Conference talk

Spoke on pytest in production at a regional meetup, ~70 attendees.

Technical blog

Writing up Vue.js experiments and failures, roughly 1k readers a month.
