EMPLOYMENT HISTORY

Junior Product Designer

Palantir | 2024-05 — Present | Terrytown

- Ran discovery interviews with 5 customers, reshaping the following year's roadmap.
- Partnered with data to define activation and retention definitions the whole company now uses.
- Prototyped 30 concepts in the design system and killed two early on evidence rather than opinion.
- Negotiated scope with engineering and legal to ship a compliance deadline on time.

Product Manager

Adobe | 2023-09 — 2024-05 | West Jessica

- Wrote the PRDs and acceptance criteria for a platform migration affecting 20k users.
- Built the experimentation framework the team uses to size bets before committing.
- Shipped a design system in the design system adopted across 5 product surfaces.
