Profile

Pragmatic UX Designer (4 years in Product/Design). I enjoy untangling messy systems and leaving them simpler than I found them. Day to day that means Power BI, Tableau and a lot of conversations with the people who use what we build.

Professional Experience

BrightPath Solutions — UX Designer

2021–2026

- Shipped a design system in the design system adopted across 6 product surfaces.
- Prioritised a backlog for 40 engineers, delivering 3 releases per quarter.
- Built the experimentation framework the team uses to size bets before committing.
- Redesigned onboarding in the design system, lifting activation from 6% to 88%.
