Tech Stack

Power BI | TypeScript | Looker | Datadog
| GitHub Actions

Personal Interests

Volunteering at a local coding club,
Open-source contribution, Five-a-side
football, Long-distance swimming

Sergio Acosta

Summary

Recent graduate moving into Product/Design. Most of my practical experience is self-directed - personal projects in Power BI and TypeScript - and I'm looking for a team to learn production engineering with.

Career History

Seeking a first professional role; see projects below.

Qualifications

Bachelor, Electrical Engineering

Pinehurst University | 2020 — 2024

Notable Projects

Conference talk

Spoke on Power BI in production at a regional meetup, ~70 attendees.

Home energy dashboard

Collects meter readings and renders them with Power BI. Mostly an excuse to learn time-series storage properly.

Looker utility library

Open-source helper library for Looker, ~300 GitHub stars. Wrote the docs and handled issue triage.

Professional Certifications

AWS Certified Solutions Architect - Associate — Amazon Web Services, 2022

Certified Kubernetes Administrator (CKA) — Cloud Native Computing Foundation, 2021

Volunteer Experience

STEM ambassador running school workshops twice a term.
