QUALIFICATIONS

Master, Data Science

University of Edinburgh | 2023 — 2024

Magna Cum Laude

Relevant coursework: Bayesian Inference, Statistical Learning,
Experimental Design, Natural Language Processing

Bachelor, Computer Science

Halloway Institute of Technology | 2019 — 2023

SKILLS & TOOLS

FastAPI

gRPC

Rust

Grafana

WORK EXPERIENCE

Cobalt Systems — Junior Mobile Engineer

2025-08 — Present

- Set the service-level objectives for 3 services and built the dashboards the team still runs on.
- Partnered with product to scope and deliver 8 major releases, each behind staged rollouts.
- Led the migration of a legacy monolith to gRPC, taking deployments from fortnightly to 15 per day.

AWARDS

Best Team Contribution, 2019

Engineering Excellence Award, 2026
