

Frank Riggs

PROFESSIONAL SUMMARY

Product/Design graduate looking for a first role. Picked up Jira and SQL through coursework and side projects rather than commercial work, and I'd like to learn the rest somewhere that reviews code properly.

EDUCATION & QUALIFICATIONS

PhD, Information Systems

Cedar Hollow University | 2025

GPA 3.8/4.0

Thesis: "Data governance in federated organisations"

Bachelor, Data Science

Pinehurst University | 2015–2019

CAREER HISTORY

Seeking a first professional role; see projects below.

PROJECTS

Home energy dashboard

Collects meter readings and renders them with Kafka. Mostly an excuse to learn time-series storage properly.

Recipe search engine

Full-text search over a scraped recipe corpus using Jira; learned more about ranking than about cooking.

Kafka utility library

Open-source helper library for Kafka, ~900 GitHub stars. Wrote the docs and handled issue triage.
