Professional Profile

Data/AI/ML graduate with 1 year of hands-on experience, most recently at Foxglove Media. Comfortable with Docker and BigQuery, and keen to work somewhere with strong code review culture.

Professional Experience

Foxglove Media — Junior Machine Learning Engineer

2024-11 — Present | North Timothy (Hybrid)

- Mentored 6 analysts moving into modelling work, with weekly paper reading and code review.
- Wrote the team's model documentation and review standard, now required before any production launch.

Academic Background

High School

Port Vanessa High School | 2021 — 2024

Core Competencies

Docker | BigQuery | Databricks | Hugging Face | JavaScript

Side Projects

Conference talk

Spoke on BigQuery in production at a regional meetup, ~40 attendees.

Personal finance tracker

Self-hosted spend tracker built with Hugging Face. Deliberately kept the data local rather than using a hosted service.

Charity chatbot

Built a Databricks assistant for a local charity to answer volunteer questions; retired it once they moved to a supported platform.
