

# Rachel Flynn

pbolton@example.net (946)862-3236x066 Brendaberg

## Personal Statement

Pragmatic UX Researcher (6 years in Product/Design). I enjoy untangling messy systems and leaving them simpler than I found them. Day to day that means Looker, Tableau and a lot of conversations with the people who use what we build.

## Career History

|                   |                                                                                                                                                                                                                                                                                                                                                          |
