Profile

Senior Product Designer with 14 years in Product/Design, currently at Vantage Analytics. I work at the point where architecture meets delivery: setting technical direction, then staying close enough to the code to know whether it held. Strongest in Confluence, Excel and TypeScript.

Employment History

Senior Product Designer, Vantage Analytics

2019-06 — 2026-07 | Alexisport

- » Built the experimentation framework the team uses to size bets before committing.
- » Defined north-star metrics and instrumented them across 8 delivery squads.
- » Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.

Junior Product Manager

Ironwood Labs | 2011-07 — 2019-01 | East Madison (On-site)

- » Prototyped 10 concepts in TypeScript and killed two early on evidence rather than opinion.
- » Redesigned onboarding in TypeScript, lifting activation from 6% to 96%.
