PROFILE

Pragmatic QA Engineer (4 years in QA/Testing). I enjoy untangling messy systems and leaving them simpler than I found them. Day to day that means Postman, Playwright and a lot of conversations with the people who use what we build.

QUALIFICATIONS

High School

Tammyshire High School | 2016 to 2020

EXPERIENCE

QA Engineer

Stonebridge IT | January 2022 to August 2026

- Built a performance harness in Playwright simulating 8k concurrent users.
- Partnered with developers to shift testing left, embedding QA in refinement sessions.
- Integrated automated checks into the Docker pipeline, blocking 8 faulty releases.
- Wrote the team's testing strategy, separating unit, contract and end-to-end responsibilities.
