

Dominique Hill

Personal Statement

Pragmatic Data Scientist (3 years in Data/AI/ML). I enjoy untangling messy systems and leaving them simpler than I found them. Day to day that means MLflow, BigQuery and a lot of conversations with the people who use what we build.

Relevant Experience

Data Scientist, Nova Tech Group

Nov 2022 – Apr 2026 | Pattersontown

- Wrote the team's model documentation and review standard, now required before any production launch.
- Established offline/online evaluation parity, catching 12 silent regressions before release.
- Reduced label noise by redesigning the annotation guidelines, improving validation accuracy by 35%.

Education and Training

Bachelor, Electrical Engineering

Eastbrook State University | 2018 – 2022

Technical Proficiencies

MLflow — Intermediate

BigQuery — Intermediate

Airflow — Working knowledge

Docker — Intermediate

Jira — Intermediate
