ronald94@example.net – 001-893-900-5195 – Sheilafurt

Software Development specialist with 4 years+ building and shipping production systems. Deep hands-on experience with GraphQL, JavaScript and CI/CD, most recently at Redwood Data.

EXPERIENCE

Junior Platform Engineer, Redwood Data

2021–2026

- Set the service-level objectives for 12 services and built the dashboards the team still runs on.
- Owned the customer-facing API end to end on Swift, from schema design through on-call support.
- Cut CI build times by 12% by parallelising the Datadog pipeline and caching dependency layers.
- Replaced a third-party dependency with an in-house JavaScript module, saving \$2k per year in licence fees.
