

Tina Simpson

johnsonkevin@example.net – 853-941-9528x1447

Professional Summary

Software Development graduate with 2 years of hands-on experience, most recently at Clearwater Systems. Comfortable with Node.js and Django, and keen to work somewhere with strong code review culture.

Qualifications

Bachelor, Communications

Ashford Technical University | 2020 to 2023

Relevant coursework: Research Methods, Media Theory, Public Relations, Digital Strategy

Career History

Clearwater Systems — Junior Mobile Engineer

October 2023 to Present | Lake Dustinbury (Hybrid)

- Introduced contract testing with Python, lifting coverage from 20% to 88% and cutting integration bugs.
- Rewrote the search path in Python, dropping median response from 1200ms to 60ms for 50M monthly users.
- Built a reusable Angular component library adopted by 2 product teams, removing months of duplicated work.
- Mentored 40 junior engineers, ran weekly design reviews, and authored the team's onboarding guide.

Technologies

Node.js

Django

Python

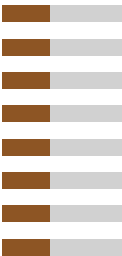

Angular

CI/CD

Excel

Hugging Face

Jira

Side Projects

Technical blog

Writing up Node.js experiments and failures, roughly 8k readers a month.

Charity chatbot

Built a CI/CD assistant for a local charity to answer volunteer questions; retired it once they moved to a supported platform.

Recipe search engine

Full-text search over a scraped recipe corpus using CI/CD; learned more about ranking than about cooking.

Certificates

Tableau Desktop Specialist — Tableau, 2016

AWS Certified Solutions Architect - Associate — Amazon Web Services, 2017

Azure Fundamentals (AZ-900) — Microsoft, 2023

Selected Publications

"Trust signals in digital public messaging" - technical report, 2023. Cited internally as the basis for the current design.

"Trust signals in digital public messaging" - co-authored conference paper, 2025.

Community

STEM ambassador running school workshops twice a term.

Languages

English – Native

Arabic – Conversational
