PERSONAL STATEMENT

Software Development graduate looking for a first role. Picked up React and Docker through coursework and side projects rather than commercial work, and I'd like to learn the rest somewhere that reviews code properly.

WORK EXPERIENCE

Seeking a first professional role; see projects below.

EDUCATION AND TRAINING

High School

North Jasmine High School | 2022 — 2025

SKILLS

React (1 year), Docker (1 year), Angular (1 year), CI/CD (1 year), Playwright (1 year), MLflow (1 year)

SIDE PROJECTS

Recipe search engine

Full-text search over a scraped recipe corpus using Docker; learned more about ranking than about cooking.

Technical blog

Writing up Playwright experiments and failures, roughly 1k readers a month.

Conference talk

Spoke on Docker in production at a regional meetup, ~50 attendees.

VOLUNTEER EXPERIENCE

STEM ambassador running school workshops twice a term.
