

Darlene Henry

Product Manager

CAREER OBJECTIVE

Early-career Product Manager with 1 year in Product/Design. Strongest in SQL; currently deepening my Git experience through production work rather than tutorials.

QUALIFICATIONS

PhD, Information Systems

Lakeshore University | 2019 – 2024

Thesis: “Adoption barriers for self-service analytics”

Bachelor, Information Systems

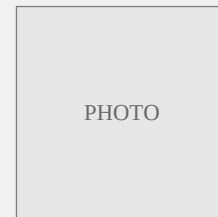

National University of Singapore | 2015 – 2019

PROFESSIONAL EXPERIENCE

Product Manager

Clearwater Systems | Jul '24 – Jun '26 | Amberbury

- Negotiated scope with engineering and legal to ship a compliance deadline on time.
- Introduced accessibility standards to the design process, taking 3 flows to WCAG AA.
