CAREER OBJECTIVE

Pragmatic Junior Business Intelligence Analyst (5 years in Data Analysis). I enjoy untangling messy systems and leaving them simpler than I found them. Day to day that means Airflow, Pandas and a lot of conversations with the people who use what we build.

WORK EXPERIENCE

Junior Business Intelligence Analyst, Clearwater Systems

Jan 2021 – Now

- Modelled pricing scenarios in Airflow, supporting a 60% margin improvement.
- Built Tableau dashboards used daily by 2 stakeholders across three departments.
- Designed the experiment readouts template now used company-wide.
- Partnered with engineering to fix event tracking, recovering 55% of previously lost sessions.
