Summary

Product Designer with 6 years in Product/Design, focused on Confluence and Looker. Comfortable owning a feature from discovery through to production support.

Experience

Meridian Software — Product Designer

09/2022 - Present

- » Negotiated scope with engineering and legal to ship a compliance deadline on time.
- » Facilitated usability testing that surfaced 8 critical friction points before launch.
- » Shipped a design system in the design system adopted across 15 product surfaces.
- » Defined north-star metrics and instrumented them across 8 delivery squads.

Technical Product Manager

Harbor Point Tech | 01/2020 - 05/2022

- » Built the experimentation framework the team uses to size bets before committing.
- » Reduced support contacts by 35% by reworking the checkout and error states.
- » Prototyped 12 concepts in the design system and killed two early on evidence rather than opinion.
