

# Joyce J. Malone

zramirez@example.net – +1-324-434-3548x6952 – Lake Michaelton – linkedin.com/in/joyce-j-malone

## Profile

Senior Product/Design professional, 16 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: React, Jira, Looker.

## Relevant Experience

|                            |                                                                                                                                                                                                                                                                                                                                                                      |
