About Me

Entry-level QA/Testing candidate. Strongest in Playwright; comfortable enough with TypeScript to be useful from week one, and honest about what I still need to learn.

Education & Qualifications

Master, Computer Science

Alexandrachester University | 2024 - 2025

Thesis: "Scheduling strategies for distributed task queues"

Relevant coursework: Databases, Computer Networks, Operating Systems, Distributed Systems

Bachelor, Computer Science

East Cheryl University | 2023

Relevant Experience

Seeking a first professional role; see projects below.

Key Skills

Playwright, TypeScript, Python, C++, MLflow

Side Projects

Match-day predictor

Small model in Playwright predicting league results. Beats the naive baseline; still loses to the bookmakers.

Charity chatbot

Built a TypeScript assistant for a local charity to answer volunteer questions; retired it once they moved to a supported platform.

Conference talk

Spoke on Playwright in production at a regional meetup, ~10 attendees.

Certificates

Azure Fundamentals (AZ-900) — Microsoft, 2022

AWS Certified Developer - Associate — Amazon Web Services, 2024

Research Output

"Cache coherence under bursty workloads" - co-authored conference paper, 2026.

"Cache coherence under bursty workloads" - technical report, 2026. Cited internally as the basis for the current design.

Language Skills

English – C2

Japanese – Conversational
