CAREER OBJECTIVE

Senior Product/Design professional, 9 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: SQL, Excel, Power BI.

EXPERIENCE

Jul 2016 – May 2026	Technical Product Manager Northbridge IT – Introduced accessibility standards to the design process, taking 6 flows to WCAG AA. – Reduced support contacts by 45% by reworking the checkout and error states. – Defined north-star metrics and instrumented them across 50 delivery squads. – Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.
