

Shawn Perry

christophermiller@example.org – 215-209-3771x004

Career Objective

Recent graduate moving into Data Analysis. Most of my practical experience is self-directed - personal projects in Redshift and Pandas - and I'm looking for a team to learn production engineering with.

Employment History

Academic Background

Master, Information Systems

South Shannon National University | 2024

Relevant coursework: IT Governance, Business Process Modelling, Enterprise Architecture, Database Design

Bachelor, Computer Science

South Matthew State University | 2017 to 2021

Key Skills

Redshift

Pandas

NumPy

Azure

Postman

Personal Projects

Recipe search engine

Full-text search over a scraped recipe corpus using Pandas; learned more about ranking than about cooking.

Home energy dashboard

Collects meter readings and renders them with Redshift. Mostly an excuse to learn time-series storage properly.

Technical blog

Writing up Pandas experiments and failures, roughly 2k readers a month.

Awards

Internal Hackathon Winner, 2016
