CAREER OBJECTIVE

Senior Product/Design professional, 12 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: Looker, Sketch, Excel.

CAREER HISTORY

Silverline Data — Senior UX Designer

2020–2026

- Partnered with data to define activation and retention definitions the whole company now uses.
- Prototyped 2 concepts in TypeScript and killed two early on evidence rather than opinion.
- Facilitated usability testing that surfaced 3 critical friction points before launch.
- Reduced support contacts by 12% by reworking the checkout and error states.

Product Manager, Amber Creek Software

2016–2019

- Shipped a design system in Figma adopted across 15 product surfaces.
- Defined north-star metrics and instrumented them across 10 delivery squads.
- Introduced accessibility standards to the design process, taking 50 flows to WCAG AA.

UX Designer

OpenAI | 2015–2016

- Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.
- Ran discovery interviews with 5 customers, reshaping the following year's roadmap.

Nova Tech Group — Product Designer

2012–2014

- Redesigned onboarding in TypeScript, lifting activation from 40% to 92%.
- Built the experimentation framework the team uses to size bets before committing.
