Snowflake — Working knowledge

pytest — Working knowledge

Postman — Working knowledge

SIDE PROJECTS

Match-day predictor

Small model in Snowflake predicting league results. Beats the naive baseline; still loses to the bookmakers.

Home energy dashboard

Collects meter readings and renders them with Postman. Mostly an excuse to learn time-series storage properly.

Charity chatbot

Built a Postman assistant for a local charity to answer volunteer questions; retired it once they moved to a supported platform.

COMMUNITY

STEM ambassador running school workshops twice a term.
