Career Objective

Software Development graduate looking for a first role. Picked up Go and Vue.js through coursework and side projects rather than commercial work, and I'd like to learn the rest somewhere that reviews code properly.

Employment History

Academic History

High School

South Michelle High School | 2022 – 2025

Key Skills

Go • Vue.js • CI/CD • PostgreSQL • Python • AWS

Open Source

Go utility library

Open-source helper library for Go, ~300 GitHub stars. Wrote the docs and handled issue triage.

Personal finance tracker

Self-hosted spend tracker built with PostgreSQL. Deliberately kept the data local rather than using a hosted service.

Recipe search engine

Full-text search over a scraped recipe corpus using Go; learned more about ranking than about cooking.

Recognition

Employee of the Quarter, 2016

Best Team Contribution, 2016

Volunteering

Committee member, local Software Development meetup - organise speakers and venue.

Language Skills

English – Native

Mandarin – Fluent
