

Daniel Tran

Personal Statement

Entry-level DevOps/Infrastructure candidate. Strongest in Terraform; comfortable enough with Grafana to be useful from week one, and honest about what I still need to learn.

Education & Qualifications

Bachelor, Software Engineering

West Darrell Institute of Technology | 2021 – 2025

Experience

Seeking a first professional role; see projects below.

Volunteer Experience

Committee member, local DevOps meetup - organise speakers and venue.
