About Me

Senior Data/AI/ML professional, 8 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: Scikit-learn, Kafka, LangChain.

Employment History

Dell — Data Scientist

May 2023 to Current | West Meghan (Remote)

- Cut inference cost by 18% through quantisation, batching and autoscaling on Jenkins.
- Wrote the team's model documentation and review standard, now required before any production launch.
- Built the feature store that 20 downstream models now read from, ending duplicated feature logic.
- Ran A/B tests across 8 model variants; the winning variant added an estimated \$80k in annual revenue.

Data Scientist, Fenwick Digital

April 2021 to February 2023 | West Keith

- Established offline/online evaluation parity, catching 6 silent regressions before release.
- Translated ambiguous business questions into a modelling roadmap with product and finance stakeholders.
- Migrated ad-hoc notebooks into versioned LangChain pipelines with reproducible runs and tracked experiments.

Junior Data Scientist, Summit Digital

February 2018 to April 2021 | New Jefferyburgh

- Reduced label noise by redesigning the annotation guidelines, improving validation accuracy by 22%.
- Productionised demand forecasting models that reduced stock-outs by 35% across 3 regions.

Qualifications

Master, Biology

Catherinebury University | 2015 to 2016

GPA 3.8/4.0

Thesis: "Population modelling under habitat fragmentation"

Relevant coursework: Cell Biology, Genetics, Bioinformatics, Biostatistics

Bachelor, Mathematics

East Grace Institute of Technology | 2011 to 2014

Skills & Tools

Skill	Experience
Scikit-learn	3 yrs
Kafka	3 yrs
LangChain	6 yrs
TensorFlow	2 yrs
BigQuery	4 yrs
Jenkins	3 yrs
Cypress	6 yrs
React	8 yrs

Side Projects

Personal finance tracker

Self-hosted spend tracker built with Jenkins. Deliberately kept the data local rather than using a hosted service.

Recipe search engine

Full-text search over a scraped recipe corpus using BigQuery; learned more about ranking than about cooking.

Certifications

Professional Scrum Master I (PSM I) — Scrum.org, 2023

Languages

English – C2

Hindi – Intermediate (B1)
