Academic History

Bachelor, Information Systems

Port Cynthiasire University | 2019

Magna Cum Laude

Relevant coursework: IT Governance, Database Design, Enterprise Architecture, Business Process Modelling

Relevant Experience

Technical Product Manager, Amber Creek Software

2022-09 — 2026-02

- Redesigned onboarding in the design system, lifting activation from 8% to 90%.
- Shipped a design system in the design system adopted across 12 product surfaces.
- Facilitated usability testing that surfaced 3 critical friction points before launch.
- Ran discovery interviews with 3 customers, reshaping the following year's roadmap.

Lumen Works — Technical Product Manager

2020-12 — 2022-08

- Defined north-star metrics and instrumented them across 12 delivery squads.
- Prototyped 6 concepts in the design system and killed two early on evidence rather than opinion.
- Reduced support contacts by 70% by reworking the checkout and error states.

Junior Product Manager

Stripe | 2019-05 — 2020-11

- Prioritised a backlog for 40 engineers, delivering 6 releases per quarter.
- Partnered with data to define activation and retention definitions the whole company now uses.
