PROFILE

Pragmatic Product Designer (4 years in Product/Design). I enjoy untangling messy systems and leaving them simpler than I found them. Day to day that means Confluence, Excel and a lot of conversations with the people who use what we build.

SELECTED HIGHLIGHTS

- Defined north-star metrics and instrumented them across 10 delivery squads.
- Built the experimentation framework the team uses to size bets before committing.
- Partnered with data to define activation and retention definitions the whole company now uses.
