Professional Profile

Early-career Technical Product Manager with 2 years in Product/Design. Strongest in Excel; currently deepening my Power BI experience through production work rather than tutorials.

Education & Qualifications

Master, Mathematics

Meaganhaven Institute of Technology | 2021–2023

Thesis: “Convergence bounds for stochastic optimisation methods”

Relevant coursework: Linear Algebra, Numerical Methods, Optimisation, Probability Theory

Bachelor, Business Administration

East Nathaniel State University | 2016–2020

Technical Skills

Excel (1 year), Power BI (2 years), Sketch (2 years), Jira (1 year), Scikit-learn (1 year), Redshift (1 year), Looker (1 year)

Relevant Experience

Ironwood Consulting — Technical Product Manager

2024–Present

- Introduced accessibility standards to the design process, taking 2 flows to WCAG AA.
- Prototyped 3 concepts in Sketch and killed two early on evidence rather than opinion.

Projects

Home energy dashboard

Collects meter readings and renders them with Sketch. Mostly an excuse to learn time-series storage properly.

Technical blog

Writing up Looker experiments and failures, roughly 2k readers a month.

Recipe search engine

Full-text search over a scraped recipe corpus using Excel; learned more about ranking than about cooking.

Languages

English – Fluent
