

STEPHEN D. ALLEN

Senior Product/Design professional, 11 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: Confluence, SQL, Git.

PROFESSIONAL EXPERIENCE

Meridian Software — Senior UX Designer

Nov '20 – Apr '26

- Defined north-star metrics and instrumented them across 8 delivery squads.
- Shipped a design system in Figma adopted across 30 product surfaces.
- Built the experimentation framework the team uses to size bets before committing.
- Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.

Product Designer, Shopify

Jul '16 – Nov '20

- Prioritised a backlog for 10 engineers, delivering 6 releases per quarter.
- Prototyped 20 concepts in Figma and killed two early on evidence rather than opinion.
- Ran discovery interviews with 2 customers, reshaping the following year's roadmap.

Technical Product Manager, Northbridge IT

Jan '15 – May '16

- Negotiated scope with engineering and legal to ship a compliance deadline on time.
- Reduced support contacts by 12% by reworking the checkout and error states.

UX Designer, Spotify

Jul '14 – Jan '15

- Facilitated usability testing that surfaced 50 critical friction points before launch.
- Introduced accessibility standards to the design process, taking 2 flows to WCAG AA.
