Profile

QA/Testing graduate looking for a first role. Picked up Java and GitHub Actions through coursework and side projects rather than commercial work, and I'd like to learn the rest somewhere that reviews code properly.

Academic Background

High School

Martinezside High School | 2022–2026

Open Source

Technical blog

Writing up DynamoDB experiments and failures, roughly 2k readers a month.

TypeScript utility library

Open-source helper library for TypeScript, ~900 GitHub stars. Wrote the docs and handled issue triage.

Recipe search engine

Full-text search over a scraped recipe corpus using Playwright; learned more about ranking than about cooking.
