

John Watson

PERSONAL STATEMENT

Software Development graduate looking for a first role. Picked up CI/CD and FastAPI through coursework and side projects rather than commercial work, and I'd like to learn the rest somewhere that reviews code properly.

QUALIFICATIONS

Bachelor, Data Science

Clarencestad University | 2021 - 2025

Relevant coursework: Natural Language Processing, Data Mining, Bayesian Inference, Statistical Learning

CAREER HISTORY

Seeking a first professional role; see projects below.

TECHNICAL SKILLS

CI/CD, FastAPI, Java, Python, Git, SQL, TensorFlow

SIDE PROJECTS

Recipe search engine

Full-text search over a scraped recipe corpus using TensorFlow; learned more about ranking than about cooking.

Conference talk

Spoke on SQL in production at a regional meetup, ~90 attendees.

Home energy dashboard

Collects meter readings and renders them with CI/CD. Mostly an excuse to learn time-series storage properly.

LANGUAGES

English – Native
