david02@example.org • 606.617.4451x87053 • South Micheal • linkedin.com/in/richard-montgomery

Product/Design specialist with 3 years+ building and shipping production systems. Deep hands-on experience with SQL, Power BI and Looker, most recently at Cobalt Applications.

CAREER HISTORY

Product Manager, Cobalt Applications

2025-05 — Present

- Facilitated usability testing that surfaced 5 critical friction points before launch.
- Ran discovery interviews with 40 customers, reshaping the following year's roadmap.
- Reduced support contacts by 55% by reworking the checkout and error states.

Product Designer, Vantage Point Technologies

2023-06 — 2025-02

- Partnered with data to define activation and retention definitions the whole company now uses.
- Built the experimentation framework the team uses to size bets before committing.
