Personal Statement

Senior Data/AI/ML professional, 12 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: PyTorch, Databricks, SQL.

Experience

Senior MLOps Engineer, Cisco

2021–Present | South Kathryn

- Established offline/online evaluation parity, catching 4 silent regressions before release.
- Trained and deployed Scikit-learn models serving 4M predictions per day at under 60ms p95.
- Developed an NLP classification system in NumPy reaching 85% F1, replacing a manual review queue.
- Mentored 15 analysts moving into modelling work, with weekly paper reading and code review.
- Ran A/B tests across 20 model variants; the winning variant added an estimated \$200k in annual revenue.

AI Researcher, IBM

2018–2021 | Angelaton

- Reduced label noise by redesigning the annotation guidelines, improving validation accuracy by 30%.
- Migrated ad-hoc notebooks into versioned Databricks pipelines with reproducible runs and tracked experiments.
- Built the feature store that 12 downstream models now read from, ending duplicated feature logic.
- Wrote the team's model documentation and review standard, now required before any production launch.

Junior Applied Scientist, Blue Orbit Labs

2014–2018 | West Tristanfurt

- Productionised demand forecasting models that reduced stock-outs by 12% across 5 regions.
- Built an end-to-end training pipeline on MLflow, cutting retraining from days to 6 hours.
- Lifted recommendation click-through by 70% through feature engineering and retraining cadence in Hugging Face.

Academic Background

Master, Communications

Patrickberg National University | 2011–2012

Thesis: "Framing effects in crisis communication"

Bachelor, Communications

New Juliestad Institute of Technology | 2007–2010

Key Skills

Languages: SQL, TypeScript

Frameworks: PyTorch, Scikit-learn, Hugging Face, NumPy

Cloud & DevOps: Terraform

Data: Databricks, MLflow, Airflow

Analytics & Design: Power BI

Testing & Tooling: pytest

Licences & Certifications

Language Skills

English – C2

Turkish – B2
