

Jimmy W. Allen

Product Manager

ABOUT ME

Senior Product/Design professional, 9 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: Excel, Git, Jira.

CAREER HISTORY

Product Manager, Ridgeline Analytics

02/2023 - Present | Mcgeefort (Remote)

- » Prioritised a backlog for 50 engineers, delivering 5 releases per quarter.
- » Introduced accessibility standards to the design process, taking 40 flows to WCAG AA.
- » Negotiated scope with engineering and legal to ship a compliance deadline on time.
- » Built the experimentation framework the team uses to size bets before committing.
- » Defined north-star metrics and instrumented them across 40 delivery squads.

UX Designer, Northbridge IT

05/2020 - 10/2022 | Huntfurt

- » Facilitated usability testing that surfaced 2 critical friction points before launch.
- » Prototyped 40 concepts in Figma and killed two early on evidence rather than opinion.
- » Partnered with data to define activation and retention definitions the whole company now uses.
- » Redesigned onboarding in React, lifting activation from 8% to 94%.

Uber — Technical Product Manager

11/2018 - 04/2020 | West Gerald (On-site)

- » Reduced support contacts by 45% by reworking the checkout and error states.
- » Wrote the PRDs and acceptance criteria for a platform migration affecting 6k users.
- » Ran discovery interviews with 15 customers, reshaping the following year's roadmap.

UX Designer, Oracle

01/2017 - 11/2018 | Suzanneville

- » Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.
- » Shipped a design system in React adopted across 2 product surfaces.
- » Interviewed and onboarded 3 new hires, shaping the hiring bar for the team.

EDUCATION & QUALIFICATIONS

High School

South Jillian High School | 2011 - 2015

PROJECTS

Home energy dashboard

Collects meter readings and renders them with Excel. Mostly an excuse to learn time-series storage properly.

Technical blog

Writing up Figma experiments and failures, roughly 9k readers a month.

VOLUNTEERING

Maintainer of a small open-source Figma library used by a handful of teams.
