Professional Profile

Product/Design specialist with 6 years+ building and shipping production systems. Deep hands-on experience with Tableau, Sketch and SQL, most recently at Salesforce.

Experience

05/2022 - Present	Product Designer Salesforce - Ran discovery interviews with 2 customers, reshaping the following year's roadmap. - Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly. - Introduced accessibility standards to the design process, taking 6 flows to WCAG AA.
10/2020 - 02/2022	Product Manager Northbridge IT - Facilitated usability testing that surfaced 3 critical friction points before launch. - Partnered with data to define activation and retention definitions the whole company now uses.
11/2019 - 07/2020	Junior Product Manager Fenwick Digital - Prototyped 8 concepts in Sketch and killed two early on evidence rather than opinion.
