daniel43@example.org • (487)350-9263x2239 • South Joshua • linkedin.com/in/amy-morris

## Professional Profile

Early-career Product Designer with 1 year in Product/Design. Strongest in Figma; currently deepening my Git experience through production work rather than tutorials.

## Education & Qualifications

### Master, Biology

Lauriechester State University | 2024 - 2025

Thesis: "Population modelling under habitat fragmentation"

### Bachelor, Biology

South Carrieburgh Institute of Technology | 2023

## Career History

### Product Designer, Clearwater Systems

03/2025 - 03/2026

- » Prioritised a backlog for 8 engineers, delivering 8 releases per quarter.
- » Redesigned onboarding in Figma, lifting activation from 20% to 85%.
- » Shipped a design system in Figma adopted across 12 product surfaces.
- » Negotiated scope with engineering and legal to ship a compliance deadline on time.

## Skills

**Cloud & DevOps:** Grafana

**Analytics & Design:** Figma

**Testing & Tooling:** Git, Jira

## Notable Projects

### Personal finance tracker

Self-hosted spend tracker built with Figma. Deliberately kept the data local rather than using a hosted service.

### Figma utility library

Open-source helper library for Figma, ~800 GitHub stars. Wrote the docs and handled issue triage.

### Match-day predictor

Small model in Figma predicting league results. Beats the naive baseline; still loses to the bookmakers.

## Training & Certifications

Databricks Certified Data Engineer Associate — Databricks, 2018

## Publications

"Sequence alignment heuristics for large genomes" - accepted at a peer-reviewed workshop, 2027.

"Sequence alignment heuristics for large genomes" - co-authored conference paper, 2027.

## Community

Committee member, local Product meetup - organise speakers and venue.

## Interests

Home automation, Jazz guitar
