

Douglas Huang

Product Manager

About Me

Pragmatic Product Manager (3 years in Product/Design). I enjoy untangling messy systems and leaving them simpler than I found them. Day to day that means SQL, TypeScript and a lot of conversations with the people who use what we build.

Career History

Product Manager, SAP

2024-11 — 2026-03

- Facilitated usability testing that surfaced 20 critical friction points before launch.
- Negotiated scope with engineering and legal to ship a compliance deadline on time.
- Built the experimentation framework the team uses to size bets before committing.
- Introduced accessibility standards to the design process, taking 50 flows to WCAG AA.

Lumen Works — UX Researcher

2023-01 — 2024-11

- Partnered with data to define activation and retention definitions the whole company now uses.
- Defined north-star metrics and instrumented them across 40 delivery squads.
- Redesigned onboarding in TypeScript, lifting activation from 30% to 96%.

Education and Training

Master, Electrical Engineering

Davisport State University | 2019 — 2021

Bachelor, Electrical Engineering

Ruizbury University | 2015 — 2018
