Skills

Python | PyTorch | AWS | Hugging Face |
SQL | MLflow | Scikit-learn | Kafka |
Nginx | Redshift | Bash | LangChain

Hobbies & Interests

Five-a-side football, Jazz guitar, Urban
sketching, Trail running

Jim Hendricks

Applied Scientist

Professional Summary

Applied Scientist with 9 years in Data/AI/ML, currently at Ironwood Consulting. I work at the point where architecture meets delivery: setting technical direction, then staying close enough to the code to know whether it held. Strongest in Python, PyTorch and AWS.

Professional Experience

Applied Scientist

Ironwood Consulting | 01/2020 - Present | Michaelville

- Trained and deployed PyTorch models serving 40M predictions per day at under 180ms p95.
- Reduced label noise by redesigning the annotation guidelines, improving validation accuracy by 60%.
- Productionised demand forecasting models that reduced stock-outs by 55% across 40 regions.
- Developed an NLP classification system in Scikit-learn reaching 94% F1, replacing a manual review queue.

Data Scientist

Lumen Works | 08/2018 - 10/2019 | Jamesport (Hybrid)

- Established offline/online evaluation parity, catching 6 silent regressions before release.
- Migrated ad-hoc notebooks into versioned Scikit-learn pipelines with reproducible runs and tracked experiments.
- Wrote the team's model documentation and review standard, now required before any production launch.

Machine Learning Engineer

Cisco | 07/2016 - 06/2018 | North Chris

- Built an end-to-end training pipeline on Scikit-learn, cutting retraining from days to 5 hours.
- Translated ambiguous business questions into a modelling roadmap with product and finance stakeholders.

Academic Background

Master, Business Administration

Youngborough Institute of Technology | 2013 - 2015

Graduated with Distinction

Thesis: "Organisational change during platform migration"

Bachelor, Business Administration

East Williamport Institute of Technology | 2009 - 2012

Licences & Certifications

TensorFlow Developer Certificate — Google, 2017

Google Analytics Certification — Google, 2021
