

Anthony N. Acosta

UX Designer

PROFESSIONAL PROFILE

Senior Product/Design professional, 13 years in. Track record of taking ambiguous problems through design, delivery and the unglamorous operational work that follows. I mentor deliberately and write things down. Core stack: Confluence, Figma, React.

CAREER HISTORY

UX Designer, Clearwater Systems

Feb 2017 – Now

- Facilitated usability testing that surfaced 30 critical friction points before launch.
- Built the experimentation framework the team uses to size bets before committing.
- Prototyped 12 concepts in React and killed two early on evidence rather than opinion.
- Defined north-star metrics and instrumented them across 20 delivery squads.

Meta — Technical Product Manager

Jun 2013 – Jan 2017

- Reduced support contacts by 25% by reworking the checkout and error states.
- Introduced accessibility standards to the design process, taking 4 flows to WCAG AA.
- Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.
