Experience

Senior Product Designer, Lumen Works

October 2019 to Now

- Ran discovery interviews with 8 customers, reshaping the following year's roadmap.
- Negotiated scope with engineering and legal to ship a compliance deadline on time.
- Redesigned onboarding in Figma, lifting activation from 8% to 88%.
- Prototyped 5 concepts in TypeScript and killed two early on evidence rather than opinion.

Technical Product Manager, Silverline Data

February 2015 to October 2019

- Reduced support contacts by 35% by reworking the checkout and error states.
- Ran quarterly roadmap reviews with executive stakeholders and published the trade-offs openly.
- Built the experimentation framework the team uses to size bets before committing.

Product Designer

Northbridge IT | December 2009 to February 2015

- Introduced accessibility standards to the design process, taking 8 flows to WCAG AA.
- Wrote the PRDs and acceptance criteria for a platform migration affecting 12k users.
