Summary

Entry-level Software Development candidate. Strongest in React; comfortable enough with Spring Boot to be useful from week one, and honest about what I still need to learn.

Education & Qualifications

Bachelor, Communications

New Cynthiahaven State University | 2024

Graduated with Distinction

Career History

Seeking a first professional role; see projects below.

Technical Proficiencies

React • Spring Boot • PyTorch • Excel

Projects

Personal finance tracker

Self-hosted spend tracker built with Spring Boot. Deliberately kept the data local rather than using a hosted service.

Charity chatbot

Built a React assistant for a local charity to answer volunteer questions; retired it once they moved to a supported platform.

Technical blog

Writing up PyTorch experiments and failures, roughly 5k readers a month.

Achievements

Engineering Excellence Award, 2018

Languages

English – C2
